ECHOES

FOREWORD

It is impossible to put all our memories of our school life at York into one book, but we have tried to capture some of the most important ones.

The Annual Staff brings you this Yearbook, the "1960 Echoes". It is our hope that it will serve as a reminder of our class both now and in the years to come.

We could not begin to thank the many people who have helped with this publication.

As we bid farewell to all the friends we have made during our years in school, we leave this book as a memory of the high-lights of our years together.

DEDICATION

We wish to show our appreciation to Mr. William Kirby by dedicating our yearbook, the 1960 ECHOES, to him.

Mr. Kirby started as custodian when we started as first graders. He gave many years of faithful and devoted service to our school. He was always co-operative in every way and has helped to make our stay at YORK SCHOOL a very happy and pleasant one. BEST WISHES TO YOU ALWAYS, "BILL."

CLASS PROPHECY

Well here we are in the year of 1970. I'm flying back to York School for the annual "alumni banquet". This year is the class of 1960's reunion. As I go down the ramp of the plane a familiar face greets me. Why! It's Kris McKenzie, a graduate of York in 1960. She is now an airline hostess, and is traveling all over the world and meeting many people.

I am now in a car on my way to the school, and as I glance out of the window, I see a big fruit farm. Yes, there is Jerry Snyder, alias Johnny Appleseed. Jerry has distributed apple trees all over the world that will produce apples 8 inches wide. Why, here comes his assistant Norbert Missler. Norb sells farm machinery. Great little helper, wouldn't you say?

As I'm going on my way, we pass a great sign saying: "RUSS' GOLF COURSE" LARGEST IN THE WORLD. I found out later that Rus Wiedle is a famous scientist. He dedicated his golf course to Ike.

Now as we round the bend, there is "Dave's and Bob's Pigeon Loft", FOR SALE (cheap). Gee! they must be in need of money. If I recall-Dave Dwight and Bob Heal were always in need of money.

We finally arrive at the school and it looks the same as always. Hey! who's that coming in behind us in the big Caddy? Well, it's Mava Beasley from Hollywood. Mava and her poodles (isn't that cute), and with her is that famous comedian, Gary Nearhood.

I've just received a telegram from Indiana. It says Ron McKenzie and Barb Risner will be late for the banquet, they are in the Indianapolis "500". However, they did send the coverage: Ron McKenzie, (King of Championship Racing) is first; Barb Risner is second; Al Beale, third; and bringing up the rear, McCune. Barb Risner is the first lady driver of Indianapolis. Ken Smith, her photographer and publicity manager, says she has a good chance because she decided to use a car. Wilbur Bogner is in Indiana studying to be a business administrator, so we're hoping he'll be able to make it too.

My, look who's here. It's Marlene Polley, who has her home out in California. She is a famous woman doctor. Her hobby is taking in the California sun.

Here comes Myrna Huffman. I heard so much about her. She's a stenographer for the President of the U. S. She also teaches spelling in a public school (she was so good at it in high school).

CLASS PROPHECY

I've also heard a lot about Judy Domka and Tom Willett. They are both very good attorneys, and as usual they are still battling for victory. Recently, they went to Congress with a case of the State of New York vs. Karen Andre. The verdict has not been selected as yet. Good Luck!!!

Gosh! Who's this dribbling down the floor towards me? Well it's Gary Lindsey, the professional basketball player. I read in the Smith Journal that he tried to paint himself black so he could be with the Harlom Globe Trotters, but I guess it didn't work.

As I was taking my place at the huge banquet table in the gym, there was a commotion at the door. After the smoke cleared away I recognized all 360 lbs. of Jim Lyons, the famous bowling star. Jim is also working part time in Lillian's Pizza House and because of his tremendous appetite, he doesn't receive a salary, 'just food.' Walking in behind him comes the famous pitcher for the Toledo Mudhens, Rocco Coxaveto (who in high school was known as Jim Cox)

We have another athlete in the crowd, Peggy Johnson. She teaches girls physical education at Zanger's private school for girls.

After glancing over the program I see the food is furnished by Eddie's Food-liner. Well, Ed Stout has really made a name for himself. Food is also furnished by Bill's Market. Virginia Frederick is now a partner of that store. What a coincidence. The fruit is from Cathy Patten's Fruit Farm. For a year she has been trying to out do Steinbauers, and she has finally succeeded. The Steinbauers establishment had to be moved because Stan Manbeck, the big construction worker, wanted to built a road through there.

Well, there is another one who can't make it. Connie Shaffer is in Africa working very hard for the natives' rights.

The speaker, Rosalie Thurn, the great social worker and President of the Fremont Fair Grounds is ready to give her speech on her dairy farm.

Well the class of 1960 has accomplished much in ten years, wouldn't you say? I wonder, will this really come true? As time marches on, we will see.

CLASS HISTORY

On a cold morning in September of 1956, 31 sleepy Freshmen fell through the door of York High. As we were sleep-walking up the stairs we came to the English Room where our class sponsor, Mrs. Zimmerman, was waiting for us. After we settled down and had a class meeting going, we had an election of officers: Judy Domka was President, Stanley Manbeck was Vice-President, Roger Ramsey was Secretary, Marlene Polley was Treasurer, and Jim Cox was our Student Council Member.

On the next September morning the 31 sleepy Freshmen were now 30 awakening Sophomores. The man with the upper hand was Tom Willett. He was followed by Jim Cox. Wielding the pencil and pad was Barbara Risner. Marlene Polley kept the mint, and Student Council was taken care of by Gary Lindsley. Mrs. Level was our sponsor this year.

We then went up one more rung of the ladder, all 29 of us. With Mrs. Zanger and Miss Aigler, we presented our play "Arsenic and Old Lace." Next came our Prom. It was in the setting of Alaska, our 49th state. Our class rings came this year. Our leaders were Gary Lindsley as President and Tom Willett as Vice-President. Scribbling was done by Barbara Risner and the money was counted by Treasurer Marlene Polley. She was assisted by Jim Lyons. Myrna Huffman and Kenny Smith stood up for us in the Student Council. Once again we had Mrs. Level for our class sponsor.

This is our last year and things are going fast. We have 26 Seniors left. With the help of Mrs. Zanger we put on our last class play "The Night of January 16th." The present and future have much in store for us, such as: Senior pictures, name cards and invitations, class trip and many other things. Our colors are red and white. Our motto is 'JUST BEGUN, GOING ON.' Our flowers are red and white carnations. Our final board of directors are Russell Wiedle as President, Jim Lyons as Vice-President, Judy Domka as Secretary, and Marlene Polley as Treasurer. This year Gary Lindsley and Stanley Manbeck are sticking up for us in the Student Council. Our class sponsor is Mrs. Zanger. After graduation we will miss school, but we must now stand on our own two feet and move forward as time marches on.

NATIONAL HONOR SOCIETY

Belonging to the National Honor Society is one of the highest honors bestowed on a high school student. Members are elected for outstanding qualities in Scholarship, Character, Leadership, and Service.

To be a candidate, a student must have a scholarship rank in the upper third of the class. From this upper third 15 % can be elected by the High School Faculty.

It is the custom to induct 10 % of the Junior Class in the National Honor Society each year.
